

I-95

Wheatsheaf Lane to Levick Street Improvements and Adams Avenue Connector

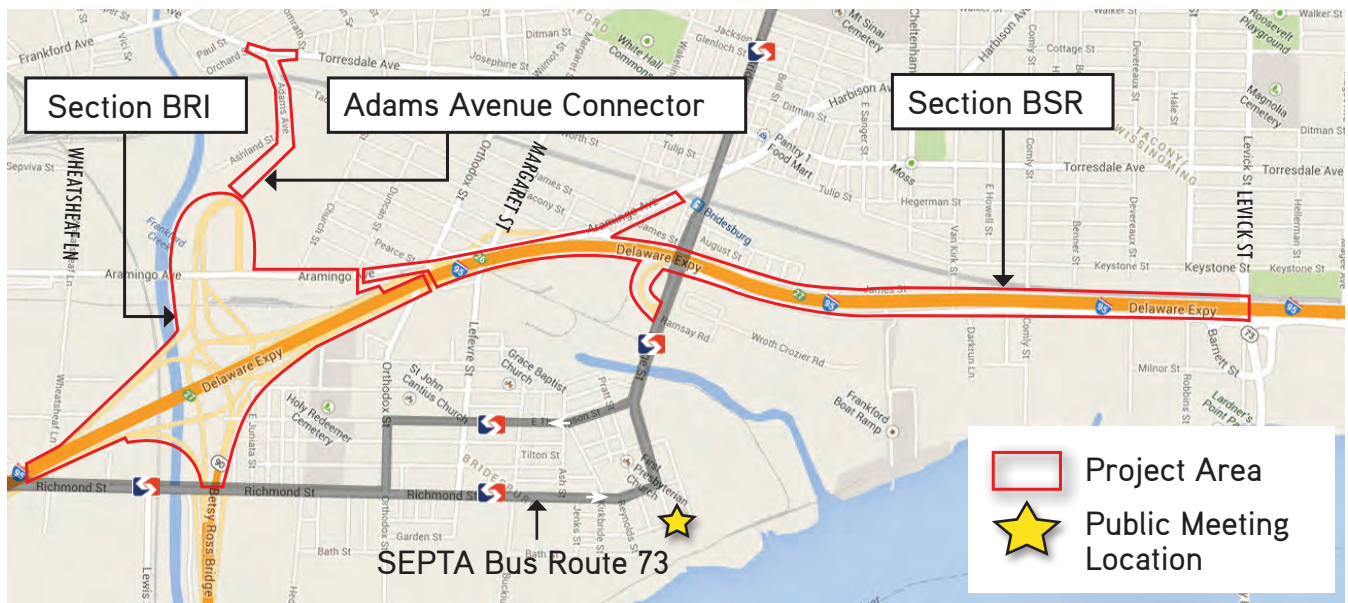

*PennDOT invites you to attend an Open House for:
I-95, Sections BRI, BSR, and Adams Avenue Connector
City of Philadelphia*

WHEN October 10, 2013 | 6 pm-8 pm

WHERE Bridesburg Boys and Girls Club, 2901 Bridge St, Philadelphia, PA 19137
Please note, parking for the club is located off of Garden Street. The club is also accessible via the Route 73 bus, which runs along Richmond Street and Bridge Street.

The Pennsylvania Department of Transportation (PennDOT) invites you to view plans and provide comments for the Interstate 95, Sections BRI and BSR roadway improvement project and the Adams Avenue Connector project in the City of Philadelphia. The first design section, Section BR0, is in final design. Section BR0 includes improvements to the Betsy Ross Interchange Ramps, utility relocations and upgrades, and temporary roadway ramp work on the west side of Aramingo Avenue. PennDOT will update the community on the current design plans and project schedule, as well as provide information on the Adams Avenue Connector. All attendees are encouraged to view the display boards at each station, ask questions, provide comments, or voice concerns at the event or on a comment card provided at the meeting. The building is handicap accessible.

More information on PennDOT's ongoing program to improve I-95 in Philadelphia can be found at: www.95revive.com
