WHAT:

**I-95 AFC
Between Ann Street and
Frankford Creek**

The Pennsylvania Department of Transportation (PennDOT) invites you to an Open House to view plans and information on the project to improve Interstate 95 between Ann Street and Frankford Creek in Philadelphia. This improvement project is part of PennDOT's comprehensive program to rebuild and enhance I-95 in the city. This section of the interstate is presently in preliminary engineering.

The I-95 AFC improvement plan includes the reconstruction of the highway and traffic improvements on surrounding streets. At the Open House, PennDOT's project team will be available to provide information and address questions or concerns. The meeting also will feature project display boards and information on the project schedule, process and options for improving connections between the two parts of Monkiewicz Playground.
